FINAL STATEMENT

R. 46.

William Alfred Gist

49 Regt of N.Y.

Gist VOLUNTEERS July 25. 1864

at Princeton, Rich. P. Co. N.Y.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, due, due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" have the payment made on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements, even the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, descriptive list, if he has one, should be sent with his final statement, duplicate, to the 2d Auditor, Washington, D. C.

NOTATION.

Book mark: R. & P. 424587

Record and Pension Office,  
WAR DEPARTMENT,  
Washington

This man deserted on or about June 25, 1895.  
turned Feb. 12, 1864, and deserted again  
on or about July 14, 1864, and returned  
Oct. 29, 1863.

As he was subsequently restored to duty by  
competent authorities

without trial, but upon conditions which appear to have  
been complied with (so far as not waived by the Gov-  
ernment), the charges of desertion no longer stand  
against him. The record of the fact that he was absent  
in desertion from on or about Oct. 29, 63 to Feb. 12,  
1864, ~~is not~~ <sup>and from July 14 to 22, 1864,</sup>  
cannot, however, be expunged.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid in judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

When a probable case for pension, special care must be taken to state the degree of disability—as *4, 4, &c., &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their observation, and especially in epilepsy, convulsions, chorea, mania, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his endorsement thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, one that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

DUPLICATE WITH INVENTORY, SENT TO AUDITOR

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due, due him, and the unpaid or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Ad Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to clothing, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

SEC. 12. And be it further enacted, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

And be it further enacted, That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding three hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 6 1864.

*Disd Sept 25. 1865.*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) That he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which his discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for their &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words "a veteran," (or recruit,) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the installments of Pay or Bounty RECEIVED by the Soldier must be made on the back of each final statement.

**NOTATION.**

Book mark: 2940-D-1884

**War Department.**

Adjutant General's Office,

Washington, Feb'y 15<sup>th</sup> 1888.

This man deserted on or about February  
15<sup>th</sup> 1864, and returned  
on or about March 23 1864.

As he was subsequently restored to duty by  
competent authority  
without trial, but upon conditions which appear to have  
been complied with so far as not waived by the Gov-  
ernment, the charge of desertion no longer stands  
against him. The record of the fact that he was absent  
in desertion from on or about February 15<sup>th</sup>  
1864, to on or about March 23 1864,  
cannot, however, be expunged.

# ARTICLES OF WAR.

ART. 92. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

Par. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 92d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and what money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be stated in the report. If the deceased leave no effects, the fact will be reported.

Par. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 124. In all such cases of sale by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, a copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTATION.

Book mark: 347-B-1887

Adjutant General's Office,

WAR DEPARTMENT,

Washington, July 8, 1887.

Charge of desertion  
of April 26, 1864, is  
removed; he was absent  
without leave from April 20,  
1864, to June 13, 1864.

This man deserted on, or  
about October 9, 1864, & was arrested  
on, or about Dec. 28, 1864. As he  
was subsequently restored to duty by  
S. O. No. 9 Hd. Qrs. Dept. Ky. dated  
March 6, 1865 without trial, but  
upon conditions which appear to have  
been complied with (so far as not waived  
by the Government), the charge of desertion no  
longer stands against him. The record  
of the fact that he was absent in desertion  
on, or about October 9, 1864, to on, or about  
December 28, 1864, cannot, however, be effaced.

and you for hand of Maj Henderson.  
Letter of Capt Catron Co 13 49<sup>th</sup> Ill. Inf.  
by 10<sup>th</sup> is, in regard to the muster of  
himself & Lieutenants, and I desire in  
justice to those officers to make the following  
statement.

I was in Command of the 49<sup>th</sup>  
during its Organization, and Certify that  
Capt Catron's company was full to a  
minimum number on the 27<sup>th</sup> of  
Jan 1863 and was organized as a  
Company and Elected Officers, and have  
done duty as a Company since that  
time. The Officers were duly Commissioned  
to take rank from that time, although  
the Commissions were not issued until  
Sept. Lt Ogden mustered the Company  
Sept 19<sup>th</sup>, and it was understood that  
he mustered the Officers to date from Jan  
27<sup>th</sup> 1863. and the returned Roll in the hands  
of the Capt show that to be the case with  
Capt Catron & Lt Davis, and they have been  
paid accordingly by Maj Scott. The Officers  
were all present at the muster in of the  
Company and should be mustered from the  
same date, and justice to them, would require  
that they be mustered, from Jan 27<sup>th</sup> 1863

I therefore ask that you give the matter  
your attention at your earliest convenience,  
and give their letter such an endorsement  
as will secure the correction of these  
errors at the Adjutant's Office.

Mr. Genl. F. F. Flint,  
Commissary Master,

Department of the Ohio

Sir I have the honor  
to address you upon the subject of the  
Master's record and my testimony.  
My Company was sent and landed  
on the 27<sup>th</sup> of June 1863  
On Commission the date of June 27<sup>th</sup> and  
we have performed duty and been  
reported in the Company returns and rolls  
with the name which we respectfully call  
our name. On the 19<sup>th</sup> of Sept. 1863 we  
were mustered into United States service  
at Cedar and he made the remark in  
the roll left in my possession that said  
master to state name June 27<sup>th</sup> 1863 opposite  
my name and 'G. H. Davis' name but other  
through neglect or accidentally omitted to

make the remark opposite the name  
of the V. D. Bank, I and Mr. Garry have,  
received from you that date from the master  
there. I have requested Maj. Love to investigate the  
matter at your office and if possible, have the  
error corrected. "The notes" to the Gov. that are  
sent by me with date and only date, are  
sent by the Gov. that he expected since  
the notes could be stopped against him  
for paying as usual.

By referring to your record you will  
see that I had the minimum number, for a  
certain organization in the Twenty seventh  
day of Dec. 1863 and that we are therefore  
entitled to be restored back to that date.  
Will you be kind enough to have the error  
corrected so that we can be paid what is  
justly due. 19th

I am, Colonel

# FINAL STATEMENT

R. 52

OF

*Regt of Infantry 1st*

*Volunteers. B.*

*Dischd. at Bureau of P. & M. Feb 17 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to a Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to his discharge, and should also present his discharge to the Paymaster, who will have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both the final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect: "This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the charges against him, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts, back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, or other miscellaneous charges, should appear under the heading of "Out Expenses."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, duplicates, to the Second Auditor, Washington, D. C.

**FINAL STATEMENT**

Camp Isaac Dallas

49th Regt of Infantry

**VOLUNTEER. E.**

Dis. Aug 21. 1864.

**NOTE 1.**—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, *do.*, due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

**NOTE 2.**—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

**NOTE 3.**—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and entered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, *do.*, are sent by the 2d Auditor of the Treasury Department.

**NOTE 4.**—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Receipts."

**NOTE 5.**—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

**NOTE 6.**—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, *do.*, is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

**NOTE 7.**—This blank will be used for deceased volunteers and drafted men, as well as for others.

**NOTE 8.**—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Private Stephen Daniel a recruit for the  
49<sup>th</sup> Ky Inf. Co being first duty sworn  
sqr. The 49<sup>th</sup> Ky is mustered out  
of the service, I enlisted for the 49<sup>th</sup> Ky  
the last of August 1863 for one year.  
I then went to Camp Nelson where the  
recruits were sent and stayed about a  
week, I then got a letter that the Rebels  
had killed my Father & I then started  
home. The Officer that recruited <sup>me</sup> told <sup>me</sup> I  
could go home & come back as soon  
as I could. I was mustered in May 1864  
about the 15<sup>th</sup> of Feb. 1865. I never drew any  
pay, but drew some clothing. I was  
mustered into the Service.

General Thomas

I desire to present certain facts to  
your notice in order to obtain information  
which is of vital importance to me  
personally,

I came before the Examining  
Board, which Col Geo S Bristol was  
President on the 5th day of July and was  
recommended for the position of  
Colonel in U. S. Colored Infantry.

Early in September I entered upon duty  
connected with the organization of  
colored troops and soon after a new  
Board was convened of which I was  
made President: up to this time I remain  
on duty of that kind awaiting my appointment

I was recently offered (conditionally) a  
Commission as Lt. Colonel of a white Regt.  
This I refused believing that I would  
eventually receive the appointment for  
which I had been recommended,  
I have a family that is dependant upon  
my services for support and  
having waited patiently for five  
months to receive the appointment  
(rejecting during this time many other  
good offers, I would Respectfully but  
earnestly ask to be informed whether  
I will be appointed or not?

My urgency arises from the fact that  
the time of my present Regiment has  
already expired and it will be mustered  
out of service as soon as money  
arrives to pay it off in which event I  
will again become a citizen. Hoping  
that my urgency to gain from you a definite  
answer will not give offence I remain

Very Respectfully  
Yours Obedt. Servt.

I have the honor to forward  
a detailed statement of the case of  
Major J. M. Harrison in 9<sup>th</sup> Regt. Ill.  
Inf. A case of evidence was tried before  
a court martial in this city April  
21<sup>st</sup> 1864 on charges preferred by Capt.  
H. M. C. C. C. C. C.

On the 10th inst. the case was recommended by the Board at 2 o'clock in its usual session for the consideration of a committee appointed. About this time the Committee forwarded a recommendation that the case be referred to the Committee on the 10th inst. that proceedings in case had been forwarded for a report of the Board. The Report of the Committee

of our Major Davidson's friends believe  
he has been acquitted, it would be  
of great benefit, not only to him  
self, but to the public service to have  
the proceedings in his case published,  
as he cannot receive his appoint-  
ment as Colonel until released from  
arrest, and cannot commence the  
organization of his regiment.

It is believed that his services in  
organizing colored troops would be  
of great benefit to us.

An order of the District, dated  
Sept. 20, 1862, directed Davidson to be  
sent to Fort Ransom, Supt. of the  
U.S.C. Prison, and of a plea of  
guilty to be entered from a rest in-  
terdicting the trial of sentence of  
court, and to receive this, your favor-  
able influence is requested.

Very Respectfully

Yours Obedt. Servt.

# FINAL STATEMENT

Pr.  
Edward S. Denson  
49th Regt of Ky. Infy.  
VOLUNTEER. H.  
Died June 22. 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full and retaining of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of those master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Ad Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landrow must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

# NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

# NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h.*, *i.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1990 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, epithelium, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

# DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

#### ARTICLES OF WAR.

ART. 25. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

#### DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 25th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5.) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

ARTICLES OF WAR.

ART. 5. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the officer of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take account of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by promotion or otherwise, they shall, before they be permitted to quit the service, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be accounted for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 5th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of guns, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. These inventories and final statements should be forwarded, as a general rule, through the regimental Headquarters. When a soldier dies at a post or station distant from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause, to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be entered on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186\_\_\_\_." If a legal representative receives the effects it will be stated in the report. If the soldier have no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186\_\_\_\_."

NOTE 4.—The effects in all cases, when called for should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, because these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, one copy should be sent direct to the Adjutant General and one retained by the officer.

Respected Sir

I desire a leave of absence  
for fifteen days to go to Whitley and Knox counties  
in this state to prepare some cases in the  
Circuit Courts of those counties for trial at  
the spring term. Until late fall there have  
been no courts in those counties for two years or  
nearly so. The Rebels, as you are aware, have  
during the greater portion of that time held  
possession. They destroyed the papers in many  
cases and those papers must be supplied.  
I am a practicing Attorney and Counsellor in  
those courts.

Very Respectfully

William B. Cove Lt. in Co (26) 49<sup>th</sup> Regt 13

to ground an application for a leave of absence  
I do hereby certify that I have carefully examined  
this officer and find that he is suffering from  
Chronic diarrhea with a tendency to Ulceration  
of the rectum he having been afflicted with the  
former for six months and unable to attend to his  
duties for three months last past and that in conse-  
quence thereof he is in my opinion unfit for duty.

I further declare my belief that he will  
not be able to resume his duties in a less period  
than ~~20~~ twenty days and that a change of location  
is necessary to save life.
